

Hello WSSC Shaggers!

July 9, 2024

Hope to see you all this Friday night at Midway when Frank Price will be playing tunes for us. Frank has been a DJ for many years with public radio and Jukin' Oldies internet radio. He's a member of the Association of Beach and Shag Club DJs, and lives in Rock Hill, SC. He is not well known in NC but is well known and constantly in demand in SC – especially at Lynn's in Charlotte. Frank hosts the "Afternoon Shag Party" 1-3pm every Tuesday, Wednesday and Thursday on jukinoldies.com, and often hosts the "Gospel X 2 Hour" on that same website from 8-10am on Sundays. And a huge plus, he is a shagger and won the DJ shag contest at Fat Harold's a few years ago. He'll keep you busy on the floor and will honor your requests. Come make Frank's first appearance memorable as he has been looking forward to playing for us at WSSC events. A big thank you to Doc Lancaster who wanted us to know a little bit about his chum Frank. Let's fill the floor with dancers and let Frank know how much we appreciate his being with us!

We were amazed at the turnout at Midway Music Hall over the Independence Day holiday week! Both dances (Friday and again on Saturday) the weekend of our Oldies Party were very well attended, and quite a few folks enjoyed our birthday party dance last Friday night, too! To our friends who were traveling over the holiday, welcome home and we hope to see you soon. Many thanks to all of you who continue to come out and support the WSSC. Good friends, wonderful music, great conversations, fun dancing... What a marvelous recipe for a truly enjoyable evening!

If you'll remember, we did promise to add a little inspiration to our newsletter from time to time. So we looked for a bit of prose that would be appropriate for July. There's just something special about the summer months – and this inspirational quote by writer Jenny Han hits the mark when it comes to writing that feeling down.

*Everything good, everything magical, happens between the months of June and August.
The days are longer, the weather's warmer, and everything really does seem a little magical.
Maybe it's because we have fond memories of childhood summers spent outside until dusk. Or maybe it's because the warm weather makes us feel more alive.
Whatever the reason, there's no denying that summer means lots of goodness awaits.
So, make the most of it! Go out and enjoy all the wonderful things that summer has to offer.*

Please check out some of the many opportunities we have this week to dance and listen to great music as listed on page 2. A big thank you to Mark Pendry for researching those events for us! **Keep on Dancing!**

If you would like a WSSC name tag, please put your name on the list when you check in with Treasurer Hope on Friday night or send us an email request. And remember that if there's anything you want to share in the weekly newsletter, just send an email to smithm9@aol.com by Monday evening, and we'll try to include your submissions in the edition that goes out on Tuesday or Wednesday. This is YOUR Newsletter, let's USE it!
